Memo No: 22.021500.201.71.177.16 Date: --/08/2016

Subject: Application to inspect "MT. PRODUCER" (Dead Vessel)

Source: As per your 11/08/2016 application

This is to inform you as per proper subject and source, a committee has been formed on 10/09/2013 to count/measure waste and hazardous elements in the scrap ship anchored in the outer terminal as per the rule 19 (4) of Hazardous & ship breaking waste management regulation 2011. The committee has been inspected the scrap ship on 13/08/2016 anchored outer terminal.

According to Hazardous & ship breaking waste management regulation 2011, 19 (1), you are asked to submit the NOC from the Department of Environment before you start breaking the ship.

- a) Application properly in the format supplied by the DOE
- b) Plan of recycling of scrap ship
- c) Detail description of waste management
- d) Information's as per Hazardous & ship breaking waste management regulation 2011

According to Hazardous & ship breaking waste management regulation 2011,19 (1), you are requested to abstain from breaking the ship without having the NOC from DOE.

(Md. Moqbul Hossain)  
Director
